Applications are now open for the 16th annual Vision in Business for the Environment of Scotland (VIBES) Awards and businesses in the Borders are encouraged to enter.

VIBES is Scotland's leading environmental awards scheme, recognising and rewarding businesses that contribute to Scotland's sustainable development through improving processes and services. The awards are free to enter and applications can be submitted until open on Monday, July 15.

Open to businesses of all sizes and sectors, VIBES aims to encourage efficient use of resources, enhance business competitiveness, improve environmental performance and support wider sustainable development goals.

There are seven award categories with more information on...

CMS Window Systems Wins Scotland's Leading Green Award

Published by PartnersPR for CMS Window Systems in Environment and also in Care and Support, Central Government, Education, Housing, Local Government

Wednesday 2nd December 2015 - 3.53pm

One of Scotland's most sustainable door and window companies has once again won a prestigious Vision in Business for the Environment of Scotland (VIBES) Award.

CMS Window Systems manufactures and installs PVCu, aluminium and timber windows, doors and curtain walling systems, as well as installing cladding systems and external wall insulation (EWI). It has won the Management SME award category in the VIBES Awards 2015, a feat it also achieved in 2009.

... and a chance to represent the UK at the EBAE

Application now open!
