Businesses are given a chance to shine at environmental awards

Secretary of State for Scotland
 Applications are now open for the 10th annual Vision in Business for the Environment of Scotland (VIBES) Awards and businesses in the Borders are encouraged to enter.

VIBES is Scotland's leading environmental awards scheme, recognising and rewarding businesses that contribute to Scotland's sustainable development through improving processes or developing new products and services. The awards are free to enter and applications can be submitted until 15pm on Monday, July 15. Businesses of all sizes are encouraged to enter. VIBES aims to enhance business performance and encourage sustainable development. There are seven award categories:

Sustainable practices are becoming absolutely crucial to businesses of every kind and through VIBES we want to encourage the fantastic work being done by so many businesses that are working hard to make Scotland more environmentally aware.

"Over the years we have seen some fantastic ideas from a range of different sectors and we're forward to seeing Scotland's business celebrate our VIBES Awards through the recognition of their achievements."

One of Scotland's most sustainable door and window companies has once again won a prestigious Vision in Business for the Environment of Scotland (VIBES) Award.

CMS Window Systems Wins Scotland's Leading Green Award

Published by PartnersPR for CMS Window Systems in Environment and also in Care and Support, Central Government, Education, Housing, Local Government

Wednesday 2nd December 2015 - 3.53pm

CMS Window Systems manufactures and installs PVCu, aluminium and timber aluminium composite windows, doors and curtain walling systems, as well as installing cladding systems and external wall insulation (EWI). It has won the Management SME award category in the VIBES Awards 2015, a feat it also achieved in 2009.
